

The Embassy of Sweden and the Swedish Trade Council together with the founding partner Swedbank established The Swedish Business Awards in Estonia in 2009.

The aim of the award is to highlight the success of Estonian - Swedish cooperation, and to provide positive examples of entrepreneurship, outstanding business achievements and the importance of contributions to society.

We believe that your company has a good insight on the Estonian business community and we would like to invite you to nominate companies or organizations with outstanding corporate social responsibility practices and young inspiring entrepreneurs for the Swedish Business Awards 2010.

We are pleased to invite you to present your achievements for the Swedish Business Awards 2010 in three categories - "Fastest growing Swedish company in Estonia", "Young Entrepreneur of the Year" and the best practice in the field of "Corporate Social Responsibility".

You can nominate your own company, suggest a partner or any other entity active in Estonia that you believe is worth being nominated. It's easy to apply for the awards through [http://swedishbusinessawards.com/forms\\_ee\\_2010/](http://swedishbusinessawards.com/forms_ee_2010/)

The awards ceremony will be held in the afternoon of October 26th, 2010. A select group of top decision makers and corporate leaders will gather for this exclusive event.
